JW Hardware & Lumber is excited to announce its opening in the heart of Grand Lake. Located at 945 Highway 384 we are open Monday - Friday from 7:30 am - 6:00 pm and Saturday from 8:00 am - 1:00 pm. Our grand opening is scheduled for this Saturday April 30th from 8:00 am - 4:00 pm. We would like to invite you to stop and visit the store to see what we have to offer.

JW Hardware & Lumber provides hardware for your home and business needs. Things such as plumbing, electrical, tools, paint, fasteners, and home goods. We also carry a full line of lumber; both treated and dimensional, plywood, sheetrock, insulation along with other finish materials. Our inventory availability and pricing is competitive to what you will find with other suppliers. We are also able to order project specific materials.

We have house account applications available and we encourage you to take advantage of setting that up. Save the date for Friday May 13th, we would love to invite you for coffee and donuts so we can discuss the best way for us to meet your needs. We'll send more information on that soon.

We are thrilled about the opening of JW Hardware & Lumber and we look forward to providing you and the residents of Cameron Parish with the products you are looking for. Our store manager and point of contact is Nicky Mioduch.

Please feel free to reach out with any questions. We look forward to doing business with you!

Sincerely,

JW Hardware & Lumber
