APPLICANT NAME: _____

LOCATION: _____

PARISH ROAD: _____ Community : _____

The applicant must be the landowner or lessee of the tract of property that he is doing the installation of the culvert(s) on. The applicant will deed to the parish the necessary right of way permission by signing this application prior to the installation of the driveway. The applicant will adhere to specifications set forth by the Cameron Parish Police Jury described for the size and lengths of the culvert(s). Applicant will also adhere to any other requirements set by the local drainage district for a driveway adjacent to a parish road. **Inspection of culverts prior to coverage and after completion of installation must be done by the Cameron Parish Police Jury.**

The applicant further agrees that if in the future this culvert installation is found to be impeding drainage, the applicant will be responsible for making the necessary alterations as deemed necessary by the police jury or drainage district. Applicant agrees to not build, create or construct nor permit to be built, created or constructed, an obstruction, building, improvement or any other structure within the parish or state right of way easement without the express written of the CPPJ. Furthermore, if any service line ruptures or malfunctions the applicant will allow the service line company to remove the culvert(s), in order, to make the necessary service line repairs. **It will also be the applicants responsibility to maintain and repair any wear or damage to this driveway.**
