

PARISH OF CAMERON

\$25.00 Fee

Roadway Construction Permit

Applicant: _____

Date: _____

Address: _____

_____ is hereby authorized to perform the following work within the right of way of **Parish Road No.** _____, **Road Name** _____ in **District** _____ as follows:

This permit is subject to the following restrictions and conditions, to-wit:

1. Applicant may not cut hard surfaced parish roads, unless special permission is obtained from the Police Jury during a voting meeting.
2. Applicant agrees to restore the roadway to its original condition upon the completion of all work. All such necessary road repairs or restoration shall be done under the supervision of the Parish Road Superintendent.
3. If the Cameron Parish Police Jury determines that it's designated Engineer or his representative should be present at any time during or after the completion of the work, applicant agrees to pay said Engineer/Representative for this service.
4. Applicant agrees to hold the Cameron Parish Police Jury harmless from all claims for damages resulting from all work.
5. Applicant agrees to furnish the necessary security to insure compliance with the conditions hereof, should such security be deemed necessary.
6. Traffic flow shall be maintained at all times by applicant at applicant's cost.
7. All necessary safety precautions shall be maintained during the tenure of all work, including flares, signs, and personnel for the proper flow of traffic.
8. Applicant shall notify the Cameron Parish Road Superintendent prior to beginning work and upon completion of work.
9. Applicant agrees to remove case or relocate any wires, pipelines, culverts, or other work when requested to do so by the Cameron Parish Police Jury for public improvement at applicant's expense.
10. The applicant will install the necessary culverts where deemed necessary by the Cameron Parish Police Jury.

NOTE: All Pipelines or cables have to be 36 inches below the existing ditch and must be back filled with 610 Road Base Gray.
